

REMARKS

Applicant thanks the Examiner for his March 28, 2005 telephone interview with applicant's agent. During the interview, the Examiner stated that the August 11, 2004 Amendment and Reply was confusing insofar as it indicated, in the Listing of Claims, that claim 49 was canceled, and then addressed specific rejections directed to claim 49 in the Remarks. The Examiner indicated that a supplemental amendment should be submitted to clarify the status of claim 49.

Applicant presents herewith a new Listing of Claims indicating that claim 49 is not canceled. Further, applicant amends claim 49 to correct a typographical error.

This amendment introduces no new matter.

Applicant requests entry of this amendment.

CONCLUSION

Applicant respectfully requests that the Examiner consider the foregoing amendment and remarks, and pass the claims to issue.

Respectfully submitted,
